RE: No Claims or Known Incidents Warranty

I, Jeffrey Rickenbach, as a Principal, Partner, Managing Member or Senior Officer of Jeffrey Rickenbach (the "Insured"), do hereby warrant that, with respect to the **[Insert Line of Business]** Insurance being applied for on behalf of the Insured, that during the period from * 3/6/25 to **[today's date]**, no claim or loss was reported to the Insured, nor has the Insured become aware of any act, error, omission, personal injury, breach of duty, fact, circumstance, situation or incident which should have led a reasonable person to conclude that a claim was likely to be made against an Insured. I understand and agree that this warranty shall be attached to, form a part of and be incorporated by this reference into the Insured's application for an insurance policy.

I understand and accept the effects and results of executing this warranty and that it is material to an offer of an insurance proposal. Furthermore, I agree that, with respect to the above-stated period, the Insured shall not file a claim with or seek coverage from General Star National Insurance Company or General Star Indemnity for any claim or loss, act, error, omission, personal injury, breach of duty, fact, circumstance, situation or incident which the Insured had or should have become aware that might reasonably be expected to result in a claim.

Sincerely,

*** If backdate insert policy expiration date. If midterm request or mid-term reinstatement insert date the last application was signed.**
